7. REVIEW OF BARANGAY LDIP & AIP

The barangay Annual Investment Plan is a component of the medium-term Barangay Development Plan. It contains the specific programs, projects and activities with corresponding project costs including the necessary fund flows to approximate the reasonable timing in the release of funds.

The Local Development Investment Program (LDIP) is a program to allocate the investible portion of the annual general fund budget for funding the development programs, projects, and activities identified in the Comprehensive Development Plan (CDP). The LDIP is coterminous with the CDP.

The Municipal Planning and Development Office is tasked to review and assess the AIPs and LDIPs of all the barangays in Claver to ensure a more effective and accountable public financial management.
